

Jacob Greenberg | Web Developer

jacobtgreenberg@gmail.com | (516) 660-9975 | linkedin.com/in/jacobtgreenberg | jacobtgreenberg.github.io

As a full stack web developer, my big-picture mindset, focus on detail, and creative outlook are all expressed in the code I write. Driven by challenge and thriving in fast-paced settings, I'm able to contribute my communication skills and work-ethic to any organization or project I'm involved in.

SKILLS

Languages | JavaScript, HTML, CSS, Python

Libraries and Frameworks | React, Node.js, Express.js, Flask

Database | PostgreSQL, MongoDB, Mongoose

PROJECTS

ActorBase

March 2021

<https://calm-refuge-29219.herokuapp.com/>

Full stack actors' bio app with CRUD functionality, RESTful routing, and user authentication. Made with Node, Express, and MongoDB/Mongoose.

NotSpotify

March 2021

<https://murmuring-basin-75117.herokuapp.com/>

MERN stack (Mongo, Express, React, Node) app built with the Spotify API. Allows users to favorite artists and CRUD functionality. Built with three other developers.

Clickeez

April 2021

<https://serene-sands-69560.herokuapp.com/>

Full stack organizational site where users can post publicly and message each other. Made with Node, Express, MongoDB, and Mongoose. Also features live chat using the socket.io library.

PROFESSIONAL EXPERIENCE

Green Mountain Graphics, Marketing Director, Queens, NY

1/2020-12/2020

Designed emails on MailChimp for marketing campaigns, maintained website with WordPress, maintained contact database, implemented lead generation campaigns.

Fausto, Server, Brooklyn, NY

11/2017-09/2019

As a member of the opening team helped to establish a company culture focused on teamwork and the shared purpose of providing personalized and thoughtful service to every patron.

Locanda Vini e Olii, Bartender, Brooklyn, NY

05/2015-02/2017

Innovated and reorganized bar to improve efficiency, created new cocktails, researched and prepared recipes for homemade liqueurs, created educational materials for the staff, greatly enhanced my knowledge of wine, and provided exceptional service in a demanding, fast paced, and high volume setting.

Lamb Financial Group, Sales Executive, Queens, NY

06/2008-12/2009

Executed every step of customer acquisition including lead generation, cold-calling, negotiating, closing, and maintaining accounts. Products were exclusively B2B and often exceeded 100k.
